Ways to make your party FUN and EASY:

1. Adult only – Let's relax and unwind! Let your guests know this is fun and free girl time! However, they can take home products at the end of the party if they wish.)
2. Invite 15 special friends/family knowing that only 5-6 will attend that day.
3. This is SO easy easy – all I need is a table and chairs :)
4. Light refreshments – plan to serve very simple snacks at the end of the event while I personally help each guest.
5. Use the Look Book to collect outside orders from those who can't attend that day – this count towards your total sales and **FREE** product credit

**Guests should be over 18 years old please:)*
