

DEBUT Invite LIST

Make a list of every person you know that has skin! They can help you start your business, give you their opinion, and allow you to practice on them. Write down literally everyone that comes to mind—people with whom you went to school, work with, previously worked with, relatives, relatives of relatives, neighbors, church friends, business associates, etc.

If you were having a wedding—who would you invite?
Put an * by those who you think would be great team members & tell your Director about them!
