

Court of Sharing

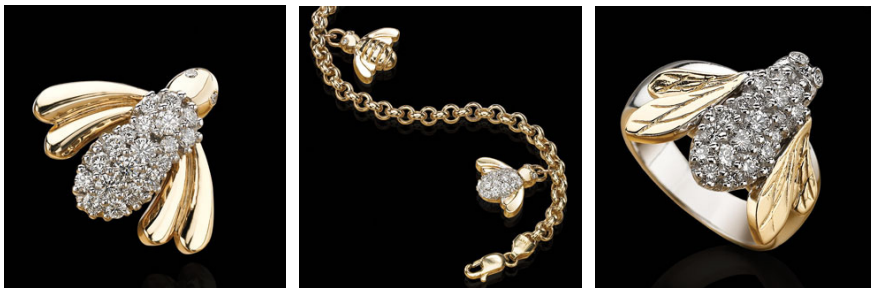

July 1, 2014 – June 30, 2015

The Bee is the Key! Earning a Diamond Bumblebee is a huge MK honor. It means that your focus is "Passing it on" and sharing this incredible business with other women.

Personal recruiting builds your team and moves you up the MK Career Path into a Leadership Role. This is my favorite part of Mary Kay – helping others discover this business and how it can change their lives!

Add 24 personal qualified* team members – average of 2/mo.

How do I do that? Facial/party with 25 women per month who also give their opinion on the Mary Kay Business. One out of five women who hear the MK facts signs up. That would add five new consultants to your team with two of them qualified (on average).

* A Court of Sales Qualified Team Member would place a \$600 wholesale order within her first month or the following month of business. Or, earn Star Consultant status one of the quarters during the contest period, ending June 15, 2015.
